Dear Parents,

With the new school year approaching we would like to address the question of items that can and cannot be transported on the school bus. The following information is for parents who have students participating in band, orchestra and sports.

Students will not be permitted to bring the following musical instruments on buses transporting students to and from school.

Alto Sax
Tenor Sax
French Horn
Baritone
Trombone
Tuba
Drums
Cello
String Base

Baseball bats and tennis rackets may be transported as long as they are carried in the appropriate carrying cases and can be held on laps. Lacrosse sticks, golf clubs, and basketballs are NOT permitted.

Please keep in mind that items that cannot safely be held on the students lap are not permitted. Additionally if students are attempting to carry on more items than can safely be held on their lap they will not be permitted to ride. **Please be sure to review the student handbook with your child for additional information regarding transportation.**

If you have any questions please do not hesitate to contact our office at 614.837.8525.
