PUPIL RIGHTS REGARDING SURVEYS

Under the Protection of Pupil Rights Amendment (PPRA), as further amended by the No Child Left Behind Act (NCLB), parents have the right to prohibit their child from participating in surveys.

Rights afforded parents include:

- to inspect for a time period of two weeks, upon request, a survey created by a third party before the survey is administered or distributed by a school to students;
- to know of arrangements to protect student privacy in a survey, including the right to opt out, if it includes questions regarding political affiliations, religious practices or other questions as outlined in PPRA and NCLB; and,
- to receive reasonable notice at the beginning of each school year that their child may be involved in Board-approved third party surveys.

Pursuant to this policy, parents/Guardians will be contacted by the school district in advance of any survey being distributed to their student.
