Auditing or Repeating a Course (BP: IKA-REG-1)

Students have an option to audit or repeat a course for a variety of reasons such as gaining exposure to a new content or strengthening understanding of previously taken content.

1. Students must complete a form for auditing or repeating a course that includes teacher approval.
2. Repeating a Course
 - a. When a student repeats a previously passed course, the transcript will reflect the higher grade attained.
 - b. The NCAA will not recognize repeated courses for athletic eligibility.
3. Credit will not be given for an audited course
 - a. If a student chooses to audit a course, then the transcript will designate an audited course.
 - b. An audited course will not count towards graduation honors (awards) or in any athletic eligibility considerations.
 - c. An audited course will not count in any GPA considerations
 - d. An audited course will not count towards meeting any pre-requisite for another course.
 - e. The student must remain in good standing (i.e., no attendance or discipline problems) to remain in course.
