

New Horizons Mental Health Services Teacher/Parent Support Line

Questions, concerns? Just want to talk with someone? Let us help you stay connected during this time of social distancing.

We know anxiety and depressive symptoms are likely to increase with isolation, but you don't have to face it alone! New Horizons offers our full array of services through telephone or telehealth for students/parents as well as a resource for teachers and school personnel regarding any behavioral health questions.

- Students who were enrolled in New Horizons School Based interventions can continue the services they were receiving at school by contacting our school-based coordinator, Dr. Justine Simpson, at [740-901-9336](tel:740-901-9336), Monday thru Friday 8 am to 5 pm to schedule. Teachers, and other school personnel may also contact Dr. Simpson if they have any questions about their students and how we can provide them assistance.
 - New Horizons continues to offer Crisis Mental Health services to anyone in Fairfield County, over telehealth, in person in our agency, or in person in the community as necessary. Please call [740-687-8255](tel:740-687-8255) for Crisis assistance; 24 hours a day, 7 days a week.
 - Community Support and Warm Line. For general questions, resources, or if you just want someone to talk with about coping with this pandemic call [740-277-1934](tel:740-277-1934) and speak with one of our trained staff. Visit our website at www.newhorizonsmentalhealth.org for a comprehensive list of services and scheduling or call [740-901-3150](tel:740-901-3150) for general information.
