

NEW Infinite Campus Mobile Apps

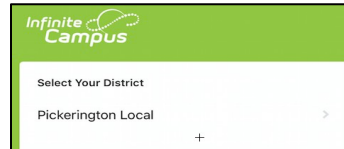

Infinite Campus has two new and improved mobile apps: Campus Student (for students) and Campus Parent (for parents). Download the free app for real-time access to grades, assignments, attendance, schedules, announcements and more.

1. Search for **Campus Student** or **Campus Parent** in the app store for your device. If you are a student, download the Campus Student app. If you are a parent, download the Campus Parent app.

2. Open the app. Enter *Pickerington* in the District Name field and select *Ohio* in the State field. Click Search District.

3. Click on Pickerington Local.

4. Enter your Infinite Campus Username and Password.

If a “no data to display” box appears after logging into the app, please verify that you’re using the correct app. Parents should download and log into the Campus Parent app; students should download and log into the Campus Student app.

Welcome to Campus Student! There is no data to display, please contact your district for more information.

If you wish to log in to Campus Parent instead, please download the app.

If you receive a “Your account needs attention” error: Log into the Infinite Campus Portal using a web browser (such as Chrome, Firefox, Safari). After you successfully log into the portal via a browser, you should be able to log into the iOS or Android mobile app.

For further assistance, please submit an Infinite Campus Help Desk ticket via the PLSD website at www.pickerington.k12.oh.us.
