Please explain why you are requesting a hotspot

*I understand that the school district has a limited number of hotspots available through this program. When all hotspots are loaned, new applicants will go on a list for future consideration. Upon receiving a hotspot, I understand that I am responsible for the safe and timely return of the loaned Wi-Fi hotspot to Pickerington Local Schools at the end of the loan period (no longer than 2 weeks) or upon withdrawal, or as requested. I understand this is a loan program and all hotspots remain the property of the school district. I acknowledge that I have read and understand the Rules of Use listed below. If damage is incurred, I understand that I am responsible for all charges as applicable. I also understand that loss (including theft) of the device will result in being charged the full replacement cost (\$150.00) of the hotspot. The PLSD Technology Protection Plan will cover accidental damage and/or lost but damage(s) due to intentional reckless, willful, wanton and/or malicious conduct is not covered.*
