## PICKERINGTON LOCAL SCHOOL DISTRICT

**VISION:** We aspire to be the school district of choice, improving our community and society by opening doors and providing opportunities for every child, every day.

**MISSION:** Our mission is to provide an engaging, innovative and holistic experience that empowers all students to become responsible, productive citizens.

### STUDENT RULES OF CONDUCT FIRST WARNING

Your acknowledgement of these rules constitutes a first warning. You will be given no further warnings. It is your responsibility to familiarize yourself with these rules and the consequences of violating them. The rules herein apply to all students when on all school premises, at all school-sponsored activities, and when aboard a school bus or other Board-owned vehicle. The application of the policies in this handbook applies to all Pickerington Schools activities.

### AVAILABILITY OF THE STUDENT CODE OF CONDUCT

In addition to being posted on the District's website, our Code of Conduct can be found in the Main Office, the Guidance Office, the Media Center, and classrooms.

### AVAILABILITY OF BOARD OF EDUCATION POLICIES

The Board of Education has established policies and procedures that pertain to students, staff, and school operations. These policies and procedures can be found via links on the District website.

## **ACADEMIC INTEGRITY / POSITIVE BEHAVIOR INTERVENTION & SUPPORTS**

*Academic Integrity/PBIS Background:* In Pickerington Schools, we believe the students, staff, and community are stakeholders in the climate and culture of our schools. The schools were founded on the belief that all students can and must learn in order to achieve success in our society. The community and staff further believe that success begins with personal and academic integrity, which are grounded in honesty, trust, fairness, respect, and responsibility.

*School Culture* – The values of honesty, trust, fairness, respect, and responsibility are worthy of our pursuit in Pickerington Schools. The parameters of academic integrity include these five values, which we hope to embrace and adjust to our environment. We strive to ensure success, exhibit integrity, and serve humanity through these five essential values. Any lapse in exhibiting these values by any stakeholder does not condone misconduct of another stakeholder.

*Honesty* – Honesty is the foundation of teaching, learning, research, and service. It is the prerequisite for full realization of trust, fairness, respect, and responsibility. Pickerington Schools uniformly deplore cheating, lying, fraud, misrepresentation, theft, and other forms of dishonest behaviors that jeopardize the rights and welfare of our learning community.

*Trust* – Mutual trust is formed in an academic community that celebrates the free exchange of ideas. Trust enables us to reach our full potential as human beings. We believe people respond to consistent honesty with trust. Only with trust can our learning community believe in the social value inherent in academic inquiry, scholarship, and integrity.

*Fairness* – Fairness evolves from predictability, clear expectations, consistency, careful listening, and just responses to dishonesty. All students and staff have a role in ensuring an environment that embraces fairness.

*Respect* – Respect is one of the rich rewards of an environment built on fairness. Teaching and learning demand active engagement and mutual respect. Students and faculty must respect their individual roles in order to appreciate diversity, learn and test new skills, build community, and grow from failures. The antithesis of respect is being rude, sarcastic, demeaning, or disruptive to others.

*Responsibility* – Responsibility requires that each stakeholder protects the integrity of the learning climate. Each person in the Pickerington Schools community must be responsible for his/her own honesty and personal responsibility, and for encouraging positive conduct by others.

## **ACCEPTABLE USE POLICY**

Pickerington Schools provide students with access to computer equipment, programs, systems, email, internet, and other technologies. Each student must take responsibility for appropriate and lawful use of this access. Students shall not use the school district's equipment, systems, or network for activities that cause harm to others or damage to their property; or that violate the law, Board policy, or the Student Code of Conduct. The board or authorized district officials will make a good-faith judgment as to which materials, files, information, software, communications, and other content and activities are permitted and prohibited under the particular circumstances based on the following guidelines. Uses and activities that are considered unacceptable and constitute a violation of this policy include, but are not limited to: illegal activities, accessing inappropriate material, inappropriate or insensitive communication, violating copyright laws, copying software, plagiarism, misuse of equipment, passwords or software, malicious use or vandalism, and unauthorized access to the internet. The district and its staff reserve the right to filter and monitor district devices and district internet usage at all times. (24/hours, 365/days a year)

Please review policy 7540.03 in its entirety on the district website for additional details.

## **ACCIDENT PROTECTION POLICY**

The Pickerington Board of Education authorizes the Superintendent to make accident insurance covering children available to parents at a nominal premium. Covering a child in the program is at the discretion of the parents. The insurance covers accidents that occurs during school, on the way to and from school, and while attending school functions.

## **ACTIVITIES**

Mock Trial, Fall Play, Spring Musical, Chorale, Science Olympiad, Robotics, In the Know, Marching Band  
To be eligible a student must:

- A. Maintain a grade point of 1.750 or better per grading period.
  - a. Eligibility for each grading period is determined by the grades received the preceding grading period. An athlete will be eligible or ineligible for the next grading period beginning with the fifth school day after the end of each grading period. Eligibility or ineligibility will remain until the fifth school day after the end of the next grading period.
  - b. For eligibility purposes, new ninth-grade students will have established their GPA if they took any junior high school course(s) for high school credit (e.g., if a student took Spanish only and received a "C", their ninth-grade GPA for eligibility purposes would be 2.0).
  - c. All beginning ninth-grade students must have passed 75 percent of subjects in which enrolled and must have earned a 1.75 GPA the preceding grading period (last grading period of eighth-grade year) to be eligible for fall activities.
- B. All students' grades are to be checked at mid-term and at the end of the grading period. Students in grades 9-12 must be passing in at least 5.0 credits or the equivalent at each check.

See your advisor/board policy for more specific details.

## **ALCOHOL AND DRUGS**

The distribution, possession, use, or evidence of consumption of alcohol or a drug substance is prohibited and will be dealt with severely. This includes extra-curricular events both home and away. This policy also applies to vaping devices, caffeine tablets or powder, look-alike substances and any other item represented to be a drug. Ohio Revised Code 3321.13 and board policy require schools to

report drug- or alcohol- related suspensions of any student to the Division of Motor Vehicles. These individuals may have their driving privilege revoked. Please refer to board policy 5512.

## **ATHLETICS**

The Ohio High School Athletic Association (O.H.S.A.A.) mandates a student must be passing five (one-credit) courses or the equivalent each grading period. Changes in athletic eligibility will become effective on the start of the fifth school day after the end of the grading period and will last until five days after the next grading period ends. Summer school is not included.

For clarification, contact the athletic administrator or the assistant principal. Students on an I.E.P. should consult the athletic administrator if they have eligibility questions.

All Pickerington Schools athletes must maintain passing grades during the school year.

- A. All student athletes' grades are to be checked at the time of interim grades and at the end of the grading period.
- B. Students must be passing in at least 5.0 credits or the equivalent at interim. Those students declared ineligible at interim will be ineligible on a week-to-week basis, with grade(s) monitored weekly. Should the grade(s) improve to passing at the end of one week of ineligibility, the student athlete will be ruled eligible. Those students declared ineligible by O.H.S.A.A. at the end of a grading period will lose eligibility for the next grading period plus five school days.
- C. Students must maintain a 1.75 GPA per grading period. Students must be passing five (5) classes (grade 7-8) at interim and end of grading period. Refer to the Athletic Handbook for detailed eligibility requirements. There is one probationary period permitted for this standard.

Requirements for Participation (Athletic Handbook)

1. A physical examination is required and an Ohio High School Athletic Association physical form must be completed and on file in the athletic office. Physicals are valid for one school year. We encourage all potential student athletes to get their physical during the summer months.
2. The student athlete and at least one parent must sign the student athlete data sheet, the athletic responsibility acknowledgment card, and the emergency medical card.

Students must follow the standards set forth by the Ohio High School Athletic Association, the Ohio Capital Conference, the Pickerington Board of Education, and the Pickerington athletic department.

## **BORROWING MONEY**

Pickerington Schools has a no-cash policy; therefore, the office cannot loan money to students.

## **CAFETERIA / COMMONS**

The school operates a cafeteria, which offers students hot, nutritious lunches each school day. Students who bring lunches from home may purchase milk in the cafeteria. Students are not permitted to go out for lunch and then return to the building to attend classes. In addition, student's may not have outside food delivered to the building by a parent or delivery service.

The computerized cash register system allows parents to prepay for their child's lunches in advance. The amount of the lunch and any other items purchased will be deducted from this account. This system was designed to help speed up the lunch process and works best when parents prepay for lunches. Parents may monitor and add funds to their students' accounts at <http://www.mypaymentplus.com>

Students are required to report to the cafeteria for lunch during their scheduled lunch period. Lunch can be carried (brown bag) or purchased. Purchased lunches can be class A tray type lunch or a la carte.

The cleanliness of tables is the responsibility of all who sit there. Any lunchroom disruption including theft, leaving trash, or throwing food/trash items could be grounds for disciplinary action.

## **CHANGE OF ADDRESS**

Any change of address must be reported to the District's Welcome Center at 614-920-6180. Any home phone number and/or parent work phone number change should be made by going to the Infinite Campus Parent Portal at: <http://www.pickerington.k12.oh.us/parent-portal/>.

## **CHILD CUSTODY REGULATIONS**

In cases of divorce/separation, a copy of the final agreement of the divorce decree/separation agreement that stipulates the custodial provisions must be provided to the school. Any subsequent changes to the court order or decree must also be provided to school officials. Proper identification may be requested to address custody/student issues with building staff.

## **CLOSINGS AND DELAYS**

Occasionally, Pickerington Schools closes or delays school start times or, on rare occasions, closes school early, based on inclement weather or other reasons. These decisions are made for the safety of our students. While we strive to make these decisions by 5:30 a.m., there are times that is not possible. We recommend that families establish family emergency plans for potential closings. Such plans should include teaching your child where to go (home, baby sitter, neighbor's house, etc.) if the district must close school earlier than normal.

If Pickerington Schools close for any reason, the district will communicate with parents via our Infinite Campus parent notification system, website, and social media. (See "Communication" for details.)

We also will provide information to the following local TV stations: WCMH-TV (Channel 4), WBNS-TV (Channel 10), WSYX-TV (Channel 6), and FOX-TV (Channel 28).

For complete information on our approach to closings and delays, visit our website at: <http://www.pickerington.k12.oh.us/snow-calamity-days/>.

## **CO-CURRICULAR AND EXTRA-CURRICULAR CODE OF CONDUCT**

A co-curricular and extra-curricular code of conduct has been board adopted for students participating in non-athletic extra-curricular activities. See your advisor for more specific details. (refer to policy 2432.03)

## **COMMUNICATION**

The district and individual schools use a variety of tools and tactics to communicate with parents and the community. These tools include, but are not limited to:

*Website:* The primary source of District information is our website, <http://www.pickerington.k12.oh.us>.

*Parent notification system (emails and phone calls):* Pickerington Schools uses an e-communication and telephone service through Infinite Campus to contact large groups of households for special announcements and emergencies, such as calamity days. This system sends emails, phone calls, and text messages to the addresses and phone numbers parents have identified as their contact preferences in Infinite Campus.

Parents and guardians are automatically enrolled as subscribers based on the contact information we have on file through Infinite Campus. For that reason, it is important for parents to ensure their contact information in Infinite Campus is correct. This can be done by logging in to the online parent portal at

<http://www.pickerington.k12.oh.us/parent-portal/> or by checking with your child's building secretary to ensure we have your most up-to-date phone numbers and email addresses.

Parents may also log on to this system to change their email and telephone contact preferences, as well as to opt-out of notifications. These messages include, but are not limited to, information about snow/calamity days.

*Social media:* Parents are encouraged to follow the district and their child's school on Facebook and Twitter. Links to all available accounts can be found at: <http://www.pickerington.k12.oh.us/follow-our-schools-on-social-media/>

*Newsletters:* The district and many school principals produce periodic newsletters for parents. Depending on the school, these may be posted to the building website, on social media, or emailed via the parent notification system.

*Parent-Teacher Conferences:* These are held twice each year and are a valuable opportunity for parents to communicate directly with their child's teacher and building administrators.

*Busing Information:* Up to date Bus Routing Information is made available through our Elink parent portal: <http://elink.nationalexpresscorp.com/ElinkPickeringtonOH/Login.aspx> Each student automatically has an account created within 24 hours after creation of the six digit student ID# assigned by Infinite Campus. The username and password are the student ID#. This portal is also used for all bus stop change requests. Once logged in to Elink you can choose the "Parent Communication" tab to access the communication form for this purpose.

## **CONCERNS/QUESTIONS**

The district encourages parents to first work with their child's teachers to address concerns or resolve conflicts. If you have further concerns, after meeting with the teachers, contact the school's administration.

## **CONDUCT**

Proper behavior is as much a part of a quality education as anything else. While at school and school events, we expect our students to behave properly, i.e., in a manner that brings credit to themselves and their school. A complete copy of the Code of Conduct is available in the main office and by visiting the district website at: <http://www.pickerington.k12.oh.us>

## **COURTYARD**

The courtyard's purpose is to allow students to relax during lunch and to use going to and from classes. No food, drink, or games of catch are permitted in or through the courtyard. Students should not use the courtyard doors to enter the hallways before the period dismissal bell rings. If students desire to be outside, they may only use the courtyard.

## **DELIVERIES TO STUDENTS**

School related items, such as books, projects, lunch money, etc., may be left with the office or person at the greeter's table for delivery to your student. No deliveries will be accepted for food, balloons, flowers, etc. The schools cannot assume responsibility for deliveries made to students at the building.

## **DIRECTORY INFORMATION (O.R.C. 3319.321)**

The district designates the following personally identifiable information contained in a student's education record as "directory information." It discloses that information without prior written consent, except for a profit-making plan or activity. Such information includes:

1. student's name;
2. student's grade level;
3. student's address;
4. telephone number(s);
5. student's date and place of birth;
6. major field of study
7. participation in officially recognized activities and sports;
8. student's height and weight, if a member of an athletic team;
9. dates of attendance ("from and to" dates of enrollment);
10. date of graduation; and
11. awards received.

Parents may contact the school counselor's office to request that the school not release any of the above information about the student.

Senate Bill 26 requires Ohio Public Schools to release directory information on sophomores, juniors, and seniors to armed forces recruiters. However, a student's parent/guardian/custodian may submit a written request to the school district that the information not be released.

Please review Policy 8330 Student Records for more information on directory information and student records.

## **DRESS CODE**

In general, dress styles and grooming should be moderate in nature and should not cause undue attention to the student and/or disrupt a positive learning atmosphere.

### **DROP OUTS (O.R.C. 4510.32)**

Students who drop out of school will have their names turned over to the Bureau of Motor Vehicles to have their driver's license revoked.

### **ELEVATOR USAGE**

Students will not use the elevator without permission from the office. Usually, students need access to the elevator for a limited time period due to health concerns, surgery, or an accident. Students with handicaps may choose one person to ride the elevator with them to assist with their needs. An elevator key will be issued to the student for the duration of this need. The key is the property of the school and may be revoked at any time for misuse. A fee may be charged for issuing the key. A fee will be assessed if it is lost, stolen, or not returned in a timely manner.

### **EMERGENCY MEDICAL FORMS**

Accidents can and do happen. It is essential that we are able to contact a parent/guardian or a reliable neighbor in the event of an emergency. Please return the emergency medical authorization form to the school immediately. If an emergency arises during school hours due to an illness or injury to a student, school personnel will attempt to notify parents. If not successful, one of the telephone numbers listed on Infinite Campus will be called.

During the school year, there may be changes in addresses and telephone numbers. Please update your information on the Infinite Campus Parent Portal at <http://www.pickerington.k12.oh.us/parent-portal/>.

### **EMERGENCY REMOVAL OF STUDENT**

If a student's presence poses a continuing danger to persons or property or an ongoing threat of disruption in the academic process, taking place either within a classroom or elsewhere on school premises, the student may be removed from the curricular, extra-curricular, or co-curricular activity or school premises on an emergency basis as dictated by board policy.

### **EQUAL OPPORTUNITY**

Pickerington Schools believe in the worth of every individual. We pledge to provide equal opportunity for students regardless of sex, race, or national origin. Students who believe they have been denied such equal opportunity should inform the principal.

## FEES/FEE WAIVER

On an annual basis, the District Board of Education adopts rules and regulations establishing a schedule of fees for materials used in our courses of instruction. Consumable materials become the student's property. Families who are financially unable to pay for necessary materials should refer to board policy for fee waivers. Applications are available in the school office. Failure to pay school fees will result in school records (i.e., grades and credits) being held until payment is received.

## FIELD TRIPS

Students' participation in a field trip requires submission of a field trip permission statement signed by an authorized adult and a completed emergency medical form (completed online), appropriate student behavior, and appropriate attire that presents a positive image of the school. The student code of conduct needs to be followed on all field trips. A student's participation on a field trip may be restricted based on grades and attendance.

Parent's attending field trips must follow the board policy for volunteers and visitors.

## FOOD

Foods and drinks are to be consumed only in the cafeteria/commons area. No food or drink is to be taken into hallways, classrooms, courtyard, or outside. Students may drink water in class. No food items are to be delivered to the schools (i.e. fast food/pizza).

## GRADE POINT AVERAGE/CLASS RANK

An accumulative grade point average (G.P.A.) is maintained in the guidance office for each student. All graded courses are used in the calculating the G.P.A. The accumulative G.P.A. will be used to determine class rank. G.P.A. is calculated at the conclusion of each semester/trimester.

## GRADING SCALE

Seventh and eighth grade students will receive report cards each trimester (12 weeks)  
Ninth through twelfth grade students will receive report cards each quarter (9 weeks)  
Trimester/semester and yearly averages are computed on a four-point scale.

(A+ will not be used, allowing A to be a perfect score)

## WEIGHTED GRADE SYSTEM

Weighted credit is determined by multiplying regular credit by the following factors: Honors 1.125, articulation agreements 1.1875, and AP/CCP 1.25.

### Definitions:

*Standard courses* are aligned to Ohio's learning standards.

*Honors level courses* align to Ohio's learning standards and extend student learning through extended learning experiences.

*Articulation Agreements* are written agreements between high schools and colleges that allow students to earn college credit for high school courses that align with the content of college courses. Articulation Agreements stipulate the course of action for students to obtain transcribed college credit.

College Credit Plus (CCP), formerly Post Secondary

Education Options Program (PSEOP), courses offer students who meet the postsecondary institution's criteria the opportunity to participate in college courses on a college campus or taught by high school faculty in the high school setting. Students receive both high school and transcribed college credit. CCP students who earn an F or fail to complete the course will be required to reimburse the District at full cost. Students dropping CCP or dual credit courses will adhere to the policies of the postsecondary institution, which may include consequences for course withdrawal after a published deadline.

To ensure accurate reporting of student progress in CCP courses while maintaining fidelity to the district's postsecondary partners, student grade reporting for interim periods within academic quarters and for the mid-semester report card will be reported on a pass/fail basis, with a rounded sixty (60) percent considered passing. Such reporting will contain a notification that final grades are cumulative for the semester.

*Advanced Placement* is a program run by College Board that allows you to take courses in high school in which you can earn college credit and/or qualify for more advanced classes when you begin college. They are designed to give you the experience of an intro-level college class while you're still in high school. You can get college credit for the class if you can pass the AP exam.

*Advanced Standing Programs (ASP)* are college credit bearing courses and include College Credit Plus (CCP) and Advanced Placement (AP).

Graduates in the top ten of their class will be recognized as "Decem Decori" (10 with honor). Graduates with a 4.0 or higher in their class will be recognized as "Optima Supra" (above the best).

## GRADUATION EXERCISES

Commencement is an extra-curricular ceremony conducted by Pickerington Schools to honor its graduating students. Participating in the commencement exercise is a privilege and not a right. Students are expected to behave in a manner befitting the dignity and importance of this event. Those not wishing to conform to behavioral expectations may desire to receive their diploma in an alternative setting.

Undergraduates who misbehave during the graduation ceremony will be subject to school discipline. Misbehavior at commencement exercises violates the Code of Conduct.

To graduate from a Pickerington high school the student must:

1. Complete the school year of the year in which they graduate. (Attend until the last scheduled regular school day unless other arrangements have been made or otherwise approved by District administration.)
2. 3. Successfully complete the curriculum of the high school or the Individualized Education Program (IEP) developed for the student pursuant to State law. Successful completion of the curriculum or IEP includes completion of the school year in the year which the student is to graduate and having serving any outstanding discipline that has been ordered by school personnel.
4. Have all outstanding fees and/or debts paid to the school in order to receive their diploma.

Any additional items worn by students will result in the student being asked to remove those items prior to the ceremony in order to participate.

The following is the approved lists of cords, medals, and stoles:

### **GRADUATION REQUIREMENTS**

Students must earn 20 credits to graduate. Specific requirements for subject areas are outlined in board policy. To receive a diploma, students must meet the testing and curriculum requirements in effect at the time they completed the high school curriculum. Date of diploma indicates graduation requirements in effect at that time. This will apply unless modified by state law.

## **HALL PASSES**

A student who needs to move about the building is expected to have a proper hall pass from his/her teacher and move immediately to the designated area.

## **HEALTH CONCERNS**

If your child has a health concern please provide the school nurse medical documentation from your child's physician. Mutual understanding about health concerns will help us to better care for your child. Please update your student's information as necessary.

School personnel will provide basic first aid and care for injuries and illnesses that occur at school. If an emergency arises during school hours due to an illness or injury, school personnel will attempt to notify the parent/guardian. If unsuccessful, one of the telephone numbers listed on the Emergency Medical Authorization form and/or information listed in Infinite Campus will be called. The student must be picked up within a reasonable amount of time. Any changes in information (telephone numbers/addresses) can be made by logging on to the Infinite Campus Parent Portal on the district website.

## *NURSE / CLINIC*

The school health clinic is available to students who may become ill or injured. Students should not contact parents on their own if they are ill. Students with symptoms of possible communicable diseases should not attend school. Please keep your child home if signs of illness including: vomiting, diarrhea, or elevated temperature (100.0 or above) occur. Your child will be sent home with symptoms of illness and must be fever and symptom-free for 24 hours before returning to school.

## *SCREENINGS*

Vision screenings will be provided in grades K, 1, 3, 5, 7, and 9 and 11. Hearing screenings will be provided in grades K, 1, 3, 5, 9, and 11. Parent/guardian will be notified if their child fails the screening.

## *IMMUNIZATIONS*

State law and district policy require written proof of every student's immunization status. Any student who does not meet the minimum state-required immunizations or exemptions within the first 14 days of school attendance will be excluded per Ohio Law.

## *MEDICATION*

*Medication prescribed by a physician:* District policy for grades K-12 requires that for prescribed medications, the appropriate form must be completed by the physician, signed by the parent/guardian, and given to the school clinic staff before the medication can be given. This form is available in our school clinic and on our website. Additionally, the medication must be presented to school personnel by the parent or guardian in its original container and labeled with the pharmacy label that includes the child's name, doctor's name, name of the medication, dosage to be given, and time to be taken. Any change from the original order must be provided in writing from the student's prescribing physician.

*FDA-approved non-prescription medication:* If non-prescription medications are required to be given at school, they must be in the original container and accompanied by a form with the child's name, name of the medication, amount to be given, time to be given, date to be started, and date to be discontinued.

This form must be signed by the student's parent or guardian. All medication (including cough drops) must be stored in the clinic. Dosages exceeding manufacturer's recommendations must be accompanied by a physician's order as described above.

All medications are to be delivered to school by the parent or guardian. Prior to the end of the school year, the parent or guardian must pick up any unused medications or the medications will be discarded.

## **HONORS DIPLOMA**

High school students can gain state recognition for exceeding Ohio's graduation requirements through an honors diploma. Students challenge themselves by taking and succeeding at high-level coursework and in real-world experiences.

For more information please visit: Ohio Department of Education – [Honors Diploma Information](#)

Applications are available to students online: [Honors Diploma Student Application](#)

## **HONOR ROLLS**

We recognize academic achievement with three honor rolls:

Distinguished Honor Roll	3.750 - 5.000
High Honor Roll	3.250 - 3.749
Honor Roll	3.000 - 3.249

The yearlong G.P.A. will be an arithmetic average of the student's G.P.A. in each of the first three (3) grading periods that school year.

## **I.D. CARDS**

Replacement I.D. Cards are available at a cost of \$5.00 to the student.

## **INCOMPLETES:**

1. When computing final GPAs and end of the grading period GPAs, all incompletes will compute to an F. If all work is not submitted within 10 school days after the end of the grading period, incompletes will automatically convert to an F.
2. Students who do not make-up work missed will receive an "I", which will be changed to the appropriate grade when the work is or is not completed.
3. All students with incompletes will be omitted from the nine-week/twelve-week honor rolls.
4. After the due date, any grading period incomplete will result in a final grade and a semester average of incomplete at the end of the course. In the case of a final grade incomplete, the following will happen.
  - A. The teacher will provide information to counselors and administrators regarding resolution of the incomplete work and deadlines for submission.
  - B. A comment will be made on the grade card.
  - C. After the allotted time, the final grade of incomplete will be changed to an F.

## **INTERIM REPORTS**

Interim reports will be available half way through each grading period. The Parent Portal of Infinite Campus enables parents to access their child's grades. It is available to all parents by using their user name and password; therefore, paper interims are NOT distributed. If parents do not have Internet

access, they may request a paper interim. Parents may contact their teacher to request a progress report. The teacher will then print a progress report and give it to the student. The interim report may be in writing, in conference, or by telephone.

### **LOCKERS (O.R.C. 3313.20)**

School lockers may be available for every student. The lockers are school property and are provided to students for the safekeeping of school items and personal items necessary for school. No other items are to be kept in the lockers. Lockers and the contents of the locker are subject to random searches at any time by school personnel and/or law enforcement officers. Students are urged to keep their lockers locked at all times and not give their combination to anyone. The school is not responsible for lost or stolen articles. Students may not decorate their lockers with drug/alcohol/tobacco advertisements, slogans, inappropriate pictures, or anything that is difficult to remove or a violation. Fees may be charged for damage to lockers.

### **LOITERING**

Students shall not remain in the school or on school property after the conclusion of the school day unless he/she is under the direct supervision of a staff member or coach. Students must exit the building no later than 30 minutes from the end of the school day. If a student fails to exit the building after a request by a staff member, he/she may be disciplined for insubordination.

### **MAKE-UP WORK**

Students will be permitted to receive credit for make-up work. Students who are absent on the day before a pre-announced quiz, test, or project will be required to take the quiz/test or present the project on the scheduled date unless new material was covered during the absence. Homework assigned before the absence is due upon the student's return. The amount of time permitted to complete make-up work will be determined cooperatively by the teacher and student, but will not exceed the number of absent days. Students having in-school study (I.S.S.) and out-of-school suspension (O.S.S.) will be permitted to make-up all work missed.

Parents may request homework assignments for their child on the second day of an absence. In order for the office to have the necessary lead-time to acquire these assignments, the request must be made before 10:00 a.m. Homework will be ready for pick-up at the end of the day. Parents must be aware of the individual homework request policy for their child's teachers. This policy may vary somewhat by school.

### **MEDIA CENTER**

The media center is open during most school hours. Students wishing to visit the media center during their study halls will be permitted to do so. However, the media specialist will determine the number of students permitted to attend each period based on the media center's schedule of classes. There are many resources found in the media center including books, Internet access, periodicals, and newspapers. The online card catalog gives students the availability of materials at all school buildings in the district. The availability of materials at Pickerington Public Library, as well as Columbus Public Library, can also be checked through the on-line gateway catalog.

The library media center rules are made so that students will respect the rights of others, and so that it is an educational area of learning. The use of the media center is a privilege.

## **NON-SCHOOL SPONSORED PUBLICATIONS**

Students who edit, publish, and/or wish to distribute non-school-sponsored handwritten, printed, or duplicated material(s) to their fellow students must secure permission in advance from the school principal.

## **PARKING**

The board recognizes that students might desire to drive their own vehicles to school. In compliance with state law, student drivers under age 17 are not permitted to transport more than one person who is not a family member unless the driver is accompanied by his/her parent, guardian, or custodian. Students are discouraged from transporting other students to and from student activities, events, and programs.

Licensed student drivers who elect to drive to school must secure a parking permit. A fee is required. If a student loses a pass, a replacement fee of one-half the regular fee will be charged. Only one (1) replacement permit will be issued per school year. Students will occupy only one parking spot (no angle parking). Faculty and visitors must park in their designated areas. Handicapped areas are clearly marked. Students going to the parking lot during the school day without permission from the office may receive discipline. Discipline may be issued to students who park in unauthorized or handicapped parking areas.

Having an automobile on school property is considered consent by the student to a search of his/her vehicle by school officials if there is reasonable suspicion to believe that the automobile contains items that may be a threat to the safety or security of the student, others, or property. The police and drug dog may be used for assistance in this area.

The school is not responsible for damage, theft, or vandalism to vehicles parked in the lot. Students who park in areas designated as visitors, staff, and/or handicapped without prior permission, or students who are not driving properly, may be subject to discipline. Parking passes can be revoked by an administrator when deemed necessary. Students who violate parking registration procedures may have their car impounded at owner's expense.

## **PASS/ FAIL**

Students in grades 7-12 may take elective courses on a pass/fail basis based on the following guidelines. Courses eligible for the pass/fail option are identified on the pass/fail registration form. The student, his/her parent, and the teacher must complete and sign a pass/fail registration form. Interested students may secure this form in the Counselor's office.

1. "Electives" are defined on the pass/fail registration form that students must complete.
2. Students in grades 9-12 may take up to one (1) elective credit per year as Pass/Fail (in addition to P.E.) in all areas excluding core classes and foreign languages. PE classes may always be taken pass/fail and may be an additional pass/fail class beyond the student's pass/fail course selection.
3. Foreign Languages will only be considered an "elective" and eligible for pass/fail if, after a student has completed at least two years of a foreign language and wants to attempt a different foreign language.
4. Registration for a pass/fail course must be made during the first four (4) weeks of a course. Should a student decide later to take the course as a grade option (A, B, C, D, F), he/she must do so by the end of the final grading period. For students choosing the grade option (A, B, C, D, F), only the final grade will be changed. If a student elects to change a pass/fail course to a letter grade, this will count as

his/her one pass/fail selection for the school year.

5. The procedure for adding or dropping a course shall also apply to pass/fail courses.
6. A grade of satisfactory (pass) or unsatisfactory (fail) will be given for progress in each grading period. The teacher should record all letter grades as usual in his/her grade book. Pass/fail will be recorded only on grade cards and permanent record cards.
7. Given extenuating circumstances, pass/fail grading may be utilized in grades 6-8 as determined by the building principal in consultation with the teaching staff and by approval of the Superintendent/designee for all classes that are not for high school credit.
8. English Learners (EL) students (K-12) may take any class pass/fail as long as recommended by the appropriate teaching staff and by approval of the Superintendent/designee

## **PERSONAL ITEMS**

Students are discouraged from bringing valuable items to school. If brought to school, these items remain the responsibility of the student. Such items can be lost or damaged. The school cannot assume responsibility for losses or damages. Skateboards, scooters, and roller blades/skates are NOT permitted.

If a student finds an item that does not belong to him/her, he/she must immediately turn it in to a staff member.

## **PHYSICAL EDUCATION DRESS**

Students in physical education classes are required to wear appropriate attire: shorts, sweat suit, gym shoes, etc. Failure to dress for class may result in failing the class. The physical education teacher will distribute information regarding appropriate attire, and course requirements, at the beginning of each semester. Students may opt to take physical education as a pass/fail course and must follow the guidelines as established by the Physical Education Department. Students are responsible for their clothes and personal items. A combination lock is needed for physical education lockers. The school will not be responsible for lost or stolen items.

## **PUBLICIZING GREAT THINGS ABOUT OUR STUDENTS**

The district frequently has the opportunity to celebrate accomplishments of our students, including award recipients, participants in unique classroom projects, involvement in fine arts programs, athletics, and other activities worth recognizing and promoting.

Sometimes, this recognition appears on district and school websites, in print publications, and in district-controlled social media, including Facebook and Twitter feeds. This recognition may include photos of students, as well as their names, school, grade and teacher's name. It also may include pictures or other representations of students' artistic work, including visual and written pieces.

We also occasionally will have members of the local media visiting our buildings to cover special events and unique approaches to education being offered by our teachers. Media access to students does not happen within our schools without district knowledge and supervision, and we do not provide direct access to students when the media is covering stories or topics that might be considered controversial or negative.

Most parents enjoy seeing their children included in the day-to-day celebration of all the great things happening in our schools. For that reason, default consent and release for this type of recognition is granted to the district. However, we know there are a few parents who prefer that their children be excluded from such acknowledgement and recognition.

**Action is only required by parents who wish to deny this consent.** We require those parents to inform us, in writing, of their desire to have their children excluded from district-managed recognition by downloading a form available on the district website, filling it out, and returning it to their child's school. Parents are asked to do this by September 1 each fall to ensure we have a current list of students whose activities should not be publicly acknowledged by the district on the website, on social media, or in other public forums.

## **QUIET STUDY TIME / DETENTION**

The schools operate a quiet study time (Q.S.T.)/detention program. This discipline option is used at the discretion of the principal or his designee. Proper behavior is required of those who are assigned; it is after school time period of quiet study -- all students are expected to have ample schoolwork to do. If a student is late to Q.S.T., he/she may not be permitted to stay and may receive additional consequences. If a student fails to serve Q.S.T. assigned hours, more discipline may result.

## **RESTROOMS**

Students must use the restroom closest to the classroom from which they are excused. Students feeling ill must report to the clinic or office and not remain in the restroom. Disciplinary action may result if proper procedures are not followed.

## **SAFETY**

Please report all safety issues to the office. Students who feel uncomfortable reporting this information to the office may see a teacher or a counselor. Additionally, concerns can be reported to the **Ohio SaferSchool Hotline by calling 1-844-SAFEROH**. Calls to the Ohio SaferSchool Hotline can be made anonymously.

## **SAFETY DRILLS**

Several types of emergency/safety drills are conducted throughout the year, including fire, tornado, medical and school intruder drills. These drills are held to acquaint students with proper emergency/safety procedures and evacuation routes. Each student will be instructed of his/her responsibilities during these drills.

## **SALES**

Only school-approved fundraisers are permitted at school. No personal sales are permitted. All school fundraisers must have prior administrative approval.

## **SCHEDULE CHANGES**

Students are expected to make all schedule adjustments prior to the opening of school. Student/parent initiated schedule changes made after school begins may be made with parent permission and only during the first ten (10) school days. When a course is dropped within this timeframe, the course will be deleted from the student's transcript.

Schedule changes made after the first ten days of school must be approved by the parent, teacher, counselor, and building administrator. Please see the board policy on Grading & Assessment for additional information.

Not attending a class while a student is trying to drop it will be considered a class cut. All classes (including

study hall and commons) listed on a student's schedule must be attended until it is dropped with a counselor's permission and all paper work is completed. Students dropping a class will be assigned to a class. There are penalties for withdrawing from a class after 10 days has passed in each semester. There will be no schedule changes for the purpose of changing instructors.

## **SCHOOL COUNSELING DEPARTMENT**

School counselors offer classroom guidance, as well as skill and support groups for study skills, grief, friendship, fear, anxiety, stress, anger management, and separation/divorce.

They also offer individual counseling to help students manage both academic and emotional issues, as well as provide mediation in resolving peer conflicts. Students can obtain a pass from their teachers or self-refer to schedule a time to meet with a school counselor. See your schedule for your counselor's name.

## **SCHOOL-SPONSORED EVENTS**

Student behavior at school-sponsored events relates directly to the individual, the entire student body, and the community. Students with inappropriate behavior at school-sponsored events will be subject to school disciplinary action (student handbook applies).

Students from other schools are permitted to attend dances at the high schools as a guest, with an approved form signed by the guest's school administrator and parent. Students leaving the dance will not be permitted to return. Students are not permitted to remain in the parking lot or outside the building while dances are going on.

Dances/Teen Nights - While most after-school activities are open to the general public, junior high school dances/teen nights are for RV/LV students only. The following rules apply to teen nights and dances:

1. Attire should be in good taste. The torso must be appropriately covered (i.e. no bare midriff, excess exposure of cleavage, sleeveless/cut-off T-shirts, sleeveless undershirts). Also, students are not permitted to wear halter-tops, spaghetti strap tops, or backless shirts/tops. School dress standards apply for all school activities. The administrators will decide what is and is not appropriate. Costumes and/or masks/face painting of any type are not permitted at any teen night.
2. School rules apply during teen night. Failure to abide by school rules may result in disciplinary action and removal from future dances.
3. Students are not permitted to leave without being signed out by an adult.
4. Teen Night - Students are expected to have transportation home at that time. Students found waiting for transportation after a reasonable time period of 15 minutes will be excluded from attending the next scheduled dance. Repeat offenders will be excluded from remaining dances scheduled during the school year.
5. High school students are not permitted to attend junior high teen night dances.
6. Junior high students are not permitted to attend high school dances.
7. Any student who has been assigned OSS or ISS may be excluded from attending.

## **SEARCHES (O.R.C. 3313.20)**

School authorities are charged with the responsibility of safeguarding the safety and well-being of the students in their care. In the discharge of that responsibility, school authorities may search the person or property, including any district-owned technology, vehicles of a student, with or without the student's

consent, whenever they reasonably suspect that the search is required to discover evidence of a violation of law or of school rules. The extent of the search will be governed by the seriousness of the alleged infraction and the student's age. Any unattended belongings will be searched to determine ownership and to confirm the item or its contents are not dangerous. Please refer to board policy for additional details.

## **SKATEBOARDS / IN-LINE SKATES / HOVER BOARDS / SCOOTERS**

For safety reasons, students are not permitted to bring skateboards, hover boards, scooters, or in-line skates to school. They may not be used on school property.

## **SOCIAL MEDIA FOR STUDENTS**

Although social media can be useful for many purposes, care must be taken to maintain an atmosphere of respect consistent with the behavior expected of students in school as outlined in federal and/or state law, Board policy and school rules. Social media is defined as any form of online publication or presence that allows end users to engage in multi-directional conversations in or around the content on the Internet. Students are personally responsible for the content they publish online. Because digital content lives in perpetuity, anything you publish will be public for a long time. Use common sense and adhere to the social media for students policy when posting content online. The Social Media for Students Policy applies to the use of social networking in the classroom as well. The same rules and policies that govern student conduct at school apply to social networking activity when social networking is used in conjunction with a class assignment or other school activities.

Please review the policy in its entirety on the District website.

## **STUDY HALL**

Study hall is a place for quiet study. Students are expected to take material to work on during study hall. Attendance in study hall is the same as a class. Students who drop a class may be assigned to a study hall instead of lunch and/or commons period.

## **SUSPENSIONS**

There are two types of suspensions used in the buildings: in-school suspension (I.S.S.) and out-of-school suspension (O.S.S.). Students assigned to I.S.S. are removed from the mainstream of the student population. It shall be used within the structure of the disciplinary code and the nature of the offense. This study time is to be served in a designated area. Academic work may be made up provided the student abides by the rules and completes the work assigned. Failure to serve I.S.S. and/or to follow established guidelines will result in an Out-of-School Suspension. A tardy to I.S.S. is a violation of I.S.S. rules and may result in an O.S.S. A student assigned to I.S.S. must attend as instructed. Any un-served days due to an excused absence will be made up upon the student's return.

A student suspended out-of-school will be permitted to do make-up work and receive 100% credit for work completed during their suspension. Students will not be penalized for missed work that cannot be duplicated outside of the classroom. Teachers may use a different assignment to determine mastery of the missing assignment. Suspended students are not to be on any Pickerington Schools property or to attend/participate at school events (home or away) on the days they are suspended. If school is cancelled during a suspended day, the suspension is extended by the number of days missed.

## **SURVEILLANCE CAMERAS**

Surveillance cameras are mounted in and around various locations throughout the building. Students may be recorded at any time. Please refer to policy 7440.01 on the district's website for additional guidelines on video and electronic monitoring.

## **TITLE IX AND SECTION 504**

If you believe you have been discriminated against, please inform the principal. Then, if not satisfied, the complaint should be forwarded to the district's Title IX and/or Section 504 Coordinator, who can be reached at 614-833-2110 or 90 East Street, Pickerington, Ohio. If not satisfactorily settled at this level, the complaint may be made to the Superintendent, who will act as the district's final mediator. Please refer to the district's policy on discrimination for additional guidance.

## **TRANSFER OF RIGHTS**

Under Family Educational Rights and Privacy Act (FERPA), the rights accorded to a parent, which would include permission and consent, transfer to a student who turns 18 or enters an institution of post-secondary education. This would include all dual enrollment classes offered by the district in cooperation with a college or university. Parents still maintain the right to access student records as long as the student is a dependent student for tax purposes.

Eighteen-year-old students are accountable for their own behaviors and actions. Compliance with the rules of the school including attendance will be addressed directly with the 18-year-old student. Correspondence from the school will be sent directly with the 18-year-old student.

It is the expectation of the student to keep his/her parent informed. If you have any questions about the transfer of rights, please contact your building principal.

## **VISITORS**

Visitors, particularly parents/guardians, are welcome at school. To properly monitor the safety of students and staff, each visitor must report to the school office upon entering the building to sign in and provide proper identification to receive a visitor's badge. Any visitor without a visitor/volunteer badge will be asked to return to the office. If parents wish to meet with a staff member or observe a classroom, they should call to schedule an appointment. Appointments must be made at least 24 hours in advance by contacting the school office. Parents are welcome to visit our school for special programs and class observations. Students are not permitted to invite friends or relatives to school during the school day.

Students are not to invite visitors to see them at school at any time. The student may only have a visitor to school if that visitor is accompanied by their parent(s). All visitors to any school must first stop at the office, sign in and pickup a visitor's pass that they must keep with them at all times while in the building. Do not report directly to the classroom, lunchroom, or playground during school hours. This is done for the safety of all students. Additional guidelines regarding visitors in school can be found on the district website under policies: 9150 and 9150 AG.

## **VOCATIONAL PROGRAMS**

It is the policy of the Pickerington Board of Education that all vocational programs are available to students without regard to race, religion, sex, economic status, national origin, age, handicap, or sexual orientation.

## **VOLUNTEERING IN PICKERINGTON SCHOOLS**

All persons volunteering within Pickerington Schools must submit a Volunteer Application and sign a Volunteer Code of Conduct form. These forms are available in all of our school offices and on the district website. All volunteers (both new and current) having unsupervised access to children on a regular basis must have a background check. 9150: School Visitors and administrative guideline 9150 AG: School Visitors for additional details.

## **WITHDRAWING FROM SCHOOL**

Please notify the school office before withdrawing a child from school. Office personnel will explain the procedures that must be followed. Please refer to board policy 5130: Withdrawal of School and administrative guideline 5130: Withdrawal/Transfer from School for additional details.

## **YEAR-END AWARDS ASSEMBLY**

All awards must be picked up in the guidance office by the student's last day or they will be discarded.

## ATTENDANCE POLICY

We believe that regular, punctual attendance to school is essential if our students are to receive maximum benefit from the educational program we offer. Success in school is directly related to attendance habits, and developing a regular pattern of good attendance is crucial for future success.

Our Board of Education policies on student attendance and absences from school follow all statutes and regulations of both the Ohio Administrative Code and the federal Missing Child Act. Together, our local policy and these pieces of legislation outline each aspect of your child's attendance to school.

First and foremost, it is the responsibilities of the parents to ensure their children have regular school attendance. Additionally, in the event a student is absent from school for any reason, it is the responsibility to notify the school. The specific policies related to our elementary and middle school attendance program are described below. Questions should be addressed to your school's office.

### *ABSENCES*

When a child will be absent from or tardy to school, parents must notify the school no later than 10:00 a.m. the morning of the absence. An answering machine is available 24 hours a day for reporting a student absence or tardy. If school office personnel have not been notified of an absence, we will place a telephone call either to the home or to the parent's place of employment.

Absences from school are classified as either excused or unexcused. Students will be permitted to make up and receive credit for work missed. The State of Ohio permits us to excuse a child's absence for the following reasons:

- A. Illness (doctor's excuse may be required)
- B. Illness inside the immediate family that necessitates the presence of the child
- C. Death of a relative (limited to 3 days)
- D. Observation of religious holidays consistent with his/her religious beliefs (Notification must be submitted at least one day prior to the absence.)
- E. Medical or dental appointment (usually a partial day)
- F. Quarantine for contagious disease (as verified by a medical professional)
- G. College visitation (three approved days allowed)
- H. Emergency circumstances (eg. court appearance, required meeting with social services agency, student required to travel with parent.)
- I. Absences due to a student's placement in foster care or changes in foster care placement or any court proceedings related to their foster care status
- J. Absences due to circumstances impacted by homelessness

All other absences will be counted as unexcused. Excessive absences may result in a phone call from school, written notification from school, or a referral to the District attendance/truant officer. In addition, further absences illness may result in the child being placed on Needs Medical Excuse status. Students placed on N.M.E. restrictions must produce a note from their physician for the absence to be excused. Without this medical note, the absence will remain unexcused.

### *EARLY DISMISSAL*

Once a student gets to school, he/she is expected to stay the entire day or until that student is dismissed. Each student leaving school property during school hours will be required to have written communication from the parent or guardian. Please note that for security purposes, students will NOT be dismissed to parents following school events held during the regular school day. Parents wanting to take their child out of school early must follow the regular sign out procedures. Any student leaving early will be counted absent for that portion of the day.

### *VACATIONS*

Vacation days are noted in the annual school calendar. It is the expectation of the Board that families do everything possible to plan their vacations during these times. If this is not possible, arrangements must be made in advance through the attendance office. All work missed must be completed and turned in on the day of return to school. Scheduling family vacations during established testing windows is strongly discouraged. Family vacations are not considered an excused absence.

**Please refer to policy 5200 on attendance for information on habitual absences, tardies, preplanned absences, and procedures for addressing truancy.**

## **BUS TRANSPORTATION**

### **STUDENT CONDUCT ON BUSES**

Free transportation is a service provided by the Pickerington Board of Education, which should be regarded as a privilege by students. It is expected that those who ride the school buses will conduct themselves as good passengers at all times. All students who ride a school bus are subject to these regulations while riding to and from school or on special trips.

### **STUDENT REGULATIONS**

The superintendent or his/her designee is authorized to deny transportation to a student. A student must be given a written notice of the intended suspension. The student shall have the opportunity to appear informally before the superintendent or superintendent's designee before the suspension is imposed. Students are also subject to emergency removal from the bus for other discipline. If emergency removal is imposed, a hearing will be held within three (3) school days of the initial removal. The notice shall also include the reasons for removal. Students may be suspended for up to one (1) year.

1. Parents are responsible for the safety of their student before pick up and after drop off.
2. Students will be at designated bus stops before bus arrival time in the morning and in the evenings when school is dismissed. Students must be at the designated bus stops five (5) minutes before arrival time. In the evenings when school is dismissed students have seven (7) minutes to board their assigned bus. After the bus drivers have been notified that it is clear to leave, they are instructed to close the bus doors. No students will be allowed to board after the bus doors have been closed.
3. Students must cross approximately ten (10) feet in front (only) of the bus. Students must follow the driver's hand signals when crossing the street.
4. Improper behavior at bus stops, including physical aggressiveness and property destruction, will not be tolerated.
5. Students must go directly to an available or assigned seat so the bus may safely resume motion.
6. Students must remain seated at all times, keeping aisles and exits clear. Students shall not change from seat to seat. Drivers are encouraged to assign seats to all students.
7. No standing on the seats or sitting on the backs of seats.

9. A student shall not use abusive, obscene, profane, or offensive language, gestures, or signs toward the bus driver, bus monitor, another student, school employee, or adult.
10. Students are not permitted to smoke, otherwise use, possess, buy, sell, attempt to sell, distribute, or burn tobacco in any form, including, but not limited to, cigarettes, cigars, clove cigarettes, chewing tobacco, snuff, and any other form of tobacco. Ohio law prohibits pupils from smoking and/or using and/or possessing tobacco in any area under the control of the school district or at any activity supervised by any school in that district.

12. Eating, drinking, and gum chewing on the bus is not permitted at any time, except as required for medical reasons.
13. Students will ride only on assigned buses and are not permitted to get off other than at the assigned bus stop. Parents may request a deviation from this rule by completing a "Change of Bus Stop" form. It will go into effect after it is approved by the transportation supervisor.

14. Throwing litter on the bus or out the windows, or throwing anything at the bus, is prohibited.
15. Students will keep all parts of the body inside the bus.
16. At no time are students allowed to tamper with the emergency door. A suspension will be given.
17. Vandalism of buses, such as cutting seats, poking holes, etc., shall not be permitted. Parents will be financially responsible for any damage done by their children.
18. Students must promptly obey the bus driver's instructions the first time they are given and refrain from talking back. If a student fails to comply with reasonable requests or directives of any school employee or bus driver, it will be considered insubordination. The bus is an extension of the classroom with equal expectations for behavior.
19. Absolute quiet must be maintained at all railroad crossings until the bus is across the tracks and at other points of danger as specified by the bus driver.
20. Spitting is not permitted.
21. Except as required by state or federal disability laws, animals of any size will not be transported on a school bus.
22. A student is not permitted to possess, transmit, or conceal a dangerous weapon, dangerous instrument, or "look-alike" counterfeit weapon or instrument. Look-alike weapons could include, but are not limited to, starter pistols, stun guns, or any object a reasonable person might consider, under the circumstances, to be a weapon or dangerous instrument such as firearms, ammunition, explosives, fireworks, or knives.
23. A student is not permitted to possess, solicit, use, conceal, sell, offer to sell, be under the influence of, show evidence of consumption, supply, or transmit narcotics, other illegal drugs, drug paraphernalia, alcoholic beverages, counterfeit controlled substances or "look-alike" controlled substances. ## GRADES 7-12 STUDENT CODE OF CONDUCT

Good conduct is based on respect and consideration for the rights of others. Students are expected to conduct themselves in such a way that the rights of others are not violated. Pickerington Schools students will conform with school regulations and accept directions from authorized school personnel. The Pickerington Board of Education will not tolerate violent, disruptive, or inappropriate behavior by its students and will vigorously enforce related policies and the Ohio Revised Code.

A student who fails to comply with Student Code of Conduct, established school rules, or with any reasonable request made by school personnel when subject to the authority of the Board of Education will be subject to the approved student discipline regulations. The superintendent or his/her designee shall develop regulations that establish strategies to address student misbehavior. Strategies shall encompass efforts ranging from prevention to intervention.

Each year (or when entering during the year), students and parents will receive information on where to access the rules and regulations to which they are subject. These discipline regulations apply to conduct while school is in session; at school-sponsored activities; on school premises; off school premises at any interscholastic competition, extracurricular activity, or any other school program or activity that is not located in a school or on property that is owned or controlled by the Board of Education; in any vehicle whose use is controlled or organized or arranged by the school; when the student is within the school district's off-premises institutional authority; or at any time when the student is subject to the authority of the Board of Education or school personnel.

In addition, a student may be subject to school disciplinary action, including suspension or expulsion for harassment, vandalism, physical abuse, or other harmful or disruptive behavior toward school personnel during non-school hours. The information will include the types of conduct that will make them subject to suspension, expulsion, removal from school, or other forms of disciplinary action. The Board directs the administration to make all students and parents aware of the Student Code of Conduct, which is designed to encourage positive appropriate behavior, and the fact that any violations of the Student Code of Conduct are subject to the consequences outlined therein.

If a student violates this policy or the Code of Conduct, school personnel, students, or parents should report the student to the appropriate principal. The administration cooperates in any prosecution pursuant to the criminal laws of the state of Ohio and local ordinances.

Student attendance at after-school co-curricular events is a privilege. Any pupil may be removed from such events for engaging in disruptive conduct, for violation of the Student Code of Conduct, or for conduct posing a danger to persons or property. Any student removed from co-curricular events may be barred from attendance at future events for the remainder of the school year.

During the time of suspension (not to include in-school study), expulsion, or removal, the parent, guardian, or custodian of the student (or the student if age 18 or older) is responsible for the student. While suspended, expelled, permanently excluded, or removed from school, students are not permitted to attend curricular or extracurricular activities or to be on school premises for any reason unless a prior appointment has been made with school officials.

The Board may seek the permanent exclusion of a student age 16 or older who is either convicted in criminal court or adjudicated delinquent by a juvenile court of any of the following offenses that occur on school grounds or at a school function:

- illegal conveyance or possession of a deadly weapon or dangerous ordnance, carrying a concealed weapon, aggravated trafficking, trafficking in drugs, trafficking involving the possession of a bulk

amount of a controlled substance or the sale of a controlled substance; and/or

- aggravated murder, murder, voluntary or involuntary manslaughter, felonious or aggravated assault, rape, gross sexual imposition or felonious sexual penetration, if the victim is a District employee.

## **DISCIPLINARY ACTION**

In the event of student misconduct, one or more of the following procedures may be administered or other discipline imposed as deemed appropriate by the school administration.

**Conference:** A conference involving any combination of student(s), parents, teachers, counselor, and administrator.

**Detention:** A thirty (30) minute period before or after school. Detentions must be served within two school days. If not, the student may be issued a second detention. Failure to serve that detention could lead to a school suspension.

**Office time out:** Students may be assigned an amount of time to be spent in the office or other designated area.

**Emergency removal:** Students may be removed from class/school as per board policy and the ORC.

**In-school study:** In-school study shall be used within the structure of the Student Code of Conduct, depending upon the nature of the offense. Students assigned to in-school study are removed from the mainstream of the student population to a designated area. Academic work may be made up provided the student abides by the rules and completes the work assigned.

**Out of school suspension/Expulsion:** When students are suspended out-of-school or expelled, they have the opportunity to complete all work assigned and receive full credit. Students will not be penalized for missed work that cannot be duplicated outside of the classroom. Teachers may use a different assignment to determine mastery of the missed assignment. Suspended or expelled students may not be on school property or attend/participate school events, home or away, on the days they are suspended/expelled. Additional guidance regarding discipline can be found in district policies located on the district's website.

## **DISCIPLINE OF STUDENTS WITH DISABILITIES**

Any student who violates this rule will be subject to school discipline, in accordance with board policy and the Code of Conduct. In addition, any student who violates this rule may be referred to the authorities.
