# PlayDough Recipes

## Basic Playdough

### What you need:

2 cups of flour, 1 cup of salt, 4 tsp of cream of tartar, 2 cups of water, 2 Tbsp of vegetable oil, and food coloring or liquid watercolor

### How to Make it:

Measure and mix all ingredients together in a saucepan off the heat until all the lumps are gone. Put it on the stove and set it to a medium heat. Continuously stir the mixture. When it pulls away from the side of the pan and forms one large ball, it is done! If any of the dough is sticky it needs to cook a bit longer. Let it cook. Knead the dough and have FUN! Once completely cooled, store the dough in an airtight bag.(no need to refrigerate).

## Food Coloring Tricks

### What you can use:

- Food coloring
- Liquid watercolor
- Gel food coloring
- Kool-Aid

## Fun Mix-Ins

### What you can use:

- Glitter
- Real sprinkles
- Vanilla or other extracts to make it smell
- Cinnamon or other spices

## Fun Tools & Toys

- |                  |                 |          |
|------------------|-----------------|----------|
| • Rolling pin    | toothpicks      | sticks   |
| • Potato masher  | Plastic animals | rocks    |
| • Cookie cutters | beads/buttons   | scissors |
